Professionals - Even if you don't know a member of AA personally and want to learn about the fellowship come anyway!!

To RSVP or for More Information Contact: askelainenow@gmail.com

Our Twelfth Step – carrying the message – is the basic service that the AA Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, AA is more than a set of principles; it is a society for alcoholics action. We must carry the message, else we ourselves can wither and those who have not been given the truth may die.
